

Dear Folkmog Members

The committee met on Wednesday this week the minutes of which are on the website) we debated and finalised as much as possible the events calendar for 2025 (see below)

Please note the website is updated 2-3 times per week with latest information, also there will always be some changes and additions so please keep an eye on the events page so as not to miss out.

We are sure there will be some further pop-up events organised by the members as the year progresses.

On the website we have included events by our nearest MSCC neighbours (Anglemog and Cranmog) where we have been invited to attend. In addition; always remember to look in your Miscellany magazine and read about other Morgan Centres events where you might be able to book directly and widen your circle of Morgan friends.

Next events (some provisional) so far are

WEBSITE

Wherever possible you will receive monthly update communications from myself to supplement the information both on the website and within Miscellany magazine. Please get yourself familiar with the website www.folkmog.net

If you have difficulties to find information or you want to query any events, please feel free to contact any of the committee members.

NOTE: It is your website, please send Colin any photographs or reports to be published. This can be reviews on our centre events but also any reports of events you think other members might enjoy, plus let us know of ideas for future centre events.

IMPORTANT POINTS

1. We have an urgent requirement to find a replacement for our long serving Treasurer and Track Day coordinator John Riley. John has given many years of great contribution to the centre but feels it's time to hand over to new blood.

Somewhere within the centre we must have someone who can come forward to take on this central role – without a treasurer Folkmog will have difficulty to operate

2. It has been asked if as a centre we would consider holding monthly noggins. Many centres have these monthly get together social events to share stories and add to the communications regarding the main event calendar. I will send out a separate note on this subject next week

3. The summer holiday is beginning to fill up with 10 rooms now confirmed. Please contact the hotel as per the website if you wish to join us.

Happy Motoring in 2025

Steve Wilson,
Centre Secretary Folkmog
